Dear Mr. Hecht,

We are pleased to comply with your request to provide you a letter of recommendation with reference to your delivered basis weight measurement systems delivered to us.

Since 2005 we are using your gauge INDICON ONE for the layer detection on textiles. Especially, the exact same spot and the handling of the gauges are features to be assessed particularly positive. Immediately, the measurement system has been accepted and trusted. Also we would like to emphasize the prompt and high-qualified service of your staff.

Thus, I would like to take the opportunity to thank you, the Managing Director of betacontrol, for the very pleasant cooperation in the past and kindly ask you to convey to your staff my thanks and best wishes.

Sincerely yours,

ppa. J. Timmermann
Production Manager
